## Our Goals

The Friends of the Oakley Library provides services to members of the community in the form of entertaining and educational programs and materials offered at the Oakley Community Library.

Currently our primary fund raising activities include monies donated by those who want to become members of the Friends of the Oakley Library, donations from members of the community, and the sale of used books donated to the Oakley Library.

We hope to be able to expand our fund raising efforts so that we can offer greater support to the Oakley Community Library and the families it serves.

We ask that you send in your membership some time in October, which will cover you through August 2012.
